TO THE SPECIFIER

Welcome to the world of **POLY-TUFF SYSTEMS INTERNATIONAL**.

We provide fully warranted products to the waterproofing, architectural and decking industries. This manual is presented to acquaint and assist you with the preparation, specifications and usage of our products. We are a manufacturing, marketing and sales team representing the very best and unique state of the industry in Water Curable Elastomeric Coating Technologies. In the ever changing challenges of today's coating needs, we have developed environmentally friendly, solvent and T.D.I. free, high performance products for the commercial and institutional markets. Our products are available through a national network of distributors and representatives and installed by manufacturer trained contractors and applicators, all of whom are backed by our in-house technical sales support group. Specify with confidence, knowing you do so with the very best.

Effective July 1, 2006, SCAQMD VOC regulations have changed and became more stringent. This change has made the following impact upon the Poly-Tuff Systems Product Line in which specially formulated products that meet the new regulations are replacement products:

- Enviro-Grip® #2(SC)** will replace Enviro-Grip® #2
- Enviro-Grip® PUR#5(SC)** will replace Enviro-Grip® PUR#5
- Topshield® EST(SC)** will replace Topshield® EST (CAL) by special orders with minimum order size applicable
- Topshield® EST(SC)-FR** will replace Topshield® EST-FR (CAL) by special orders with minimum order size applicable
- Topshield® ALP-150(SC)** will replace Topshield® ALP-150
- Staintuff® 3072(SC)** will replace Staintuff® 3072 by special orders with minimum order size applicable.

Products not available for sale and use in the affected Southern California SCAQMD jurisdictions in which Solvent-Free Versions are available:

- Terra-Shield® BG-100 (2 component) V or H** will replace Terra-Shield® BG (1 component) V or H.
- P-Tuff® Classic or Flex** will replace P-Tuff® SLV
- Topshield® AR-SF** will replace Topshield® AR

Outside the SCAQMD the Poly-Tuff Systems Product Line will remain unaffected and all the normal products will be available.
